## Statement of intent

---

Ash Meadow school understands that, under the Equality Act 2010, all schools have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality between different groups.
- Foster good relations between different groups.
- Promote mental health and wellbeing.

Our school's overall values are underpinned by our statutory duties under the Equality Act 2010. We are dedicated to ensuring that every pupil receives an education that offers them the best chance at fulfilling their potential, and to promoting mental wellbeing amongst our pupils. We are committed to supporting and celebrating all pupils' individual identities. We have developed this policy to provide a clear framework for how we will achieve our school's aims.

Our school's demographic state is directly linked to our overall aims for achieving equality. Specifically, we aim to:

- Promote pupils with SEND to fulfil their lives in everyday society
- Encourage the understanding of the world around them
- Celebrate different beliefs and cultures as well as promoting equality of opportunity

To achieve our aims, we will adopt the following methods:

- Embedding equality within teaching and resources
- Using key data indicators to understand the needs and characteristics of our school
- Promoting community cohesion
- Promoting parental engagement
- Investing in regular staff training
- Using key data, such as measures of wellbeing, to monitor the progress of pupils with protected characteristics
- Regularly reviewing our equality policy to ensure it reflects current trends and issues

## **2. Roles and responsibilities**

---

The headteacher will:

- Be responsible for ensuring the school complies with the appropriate equality legislation and regulations.
- Take all reasonable steps to ensure pupils and potential pupils will not be discriminated against, harassed or victimised in relation to:
  - Admissions.

- The way the school provides education for pupils.
  - How pupils are provided with access to benefits, facilities and services.
  - The exclusion of a pupil or subjecting them to any other detriment.
- Ensure all policies are developed and implemented with appropriate equality impact assessments informing future plans in collaboration with the school leadership team.
  - Implement this policy, ensuring that all staff and pupils apply its guidelines fairly in all situations.
  - Conduct regular training sessions to ensure all members of staff are aware of their responsibilities, as well as to develop their skills and knowledge.
  - Review and amend this policy, taking into account new legislation and government guidance, and previously reported incidents, in order to improve procedures.
  - Ensure that appropriate therapies and counselling are made available for pupils who require immediate interventions, parental assistance and personal counselling.

Staff will:

- Be alert to the possible harassment of pupils, both inside and outside of the school, and to deal with incidents of harassment/discrimination as the highest priority.
- Carry out their statutory duties relating to equal opportunities, inclusivity and pertaining to their specific roles.
- Have due regard to the sensitivities of all pupils, and not provide material that may cause offence.
- Act as a role model for equality, diversity and inclusion across the whole school community.

### **3. Data protection**

---

The school will adopt secure controls on sensitive personal data, ensuring all data is accurate, secure and processed fairly and lawfully.

The school will gain consent from pupils and parents before any sensitive personal data is processed.

The school will respect all pupils' right to privacy and will not disclose a pupil's trans<sup>1\*</sup> status or sexual orientation to any other pupils, staff members or third parties.

The school holds a Data Protection Policy containing further information addressing data protection.

---

#### 4. Protected characteristics

---

We will not discriminate against, harass or victimise a pupil, or prospective pupil, because of their:

- Sex.
- Race.
- Disability, which includes mental health, encompassing prejudiced assumptions, attitudes or behaviours related to mental health.
- Religion or belief.
- Sexual orientation.
- Gender reassignment.
- Pregnancy or maternity.

We will not discriminate against a pupil, or prospective pupil, because of a characteristic related to a person, such as a parent, with whom the pupil or prospective pupil is associated.

We will not discriminate against a pupil, or prospective pupil, because of a characteristic which they are believed to have, even if the belief is mistaken.

We will regularly review our school practices to ensure that they are fair with regard to all the protected characteristics listed in this policy.

---

#### 5. Sex

---

For the purpose of this policy, sex refers to their biological assignment at birth depending on their reproductive organs. We understand some pupils may wish to identify with another gender, and we will support pupils through their transitioning phases

---

<sup>1</sup> Trans\* is an umbrella term that refers to all of the identities within the gender identity spectrum.

Staff will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to pupils of other sexes.

The school will only separate pupils by sex where there is reasonable justification or if one of the following applies:

- Girls or boys will suffer a disadvantage connected to their sex
- Girls or boys have needs that are different from the needs of the other sex
- Participation in an activity by girls or boys is disproportionately low

The school will consider non-statutory exceptions on a case-by-case basis, and regularly review the impact of any separation to ascertain whether it remains lawful.

All pupils will be offered an equal opportunity to undertake any activity in the school, e.g. in relation to technology lessons all pupils will be allowed to choose which skills they learn.

There may be occasions where we deem it necessary to teach some subjects in single-sex classes, but the school will ensure that such classes do not give pupils a disadvantage when compared to pupils of a different sex in other classes. Occasions where pupils are separated to be taught in single-sex classes will be documented and the separation justified to ensure parents, Ofsted and, where necessary, the wider community can understand the reasons behind separation. Where a subject is taught in a single-sex class, trans pupils will be allowed to attend the single-sex class that corresponds with the gender they identify with.

Pupils' age and stage of development will be taken into consideration before segregating sports teams. Both sexes will have equal opportunities to participate in comparable sporting activities; where segregation is deemed necessary, the single-sex sports teams will receive the same quality and amount of resources.

## **6. Race and ethnicity**

---

We will ensure that pupils of all races and ethnicities are not singled out for different and less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair.

We will ensure pupils who have English as an additional language are treated equally and fairly, while ensuring they are supported at all times.

We will not segregate pupils on the basis of their race or ethnicity, understanding that claims of 'separate but equal' will not be tolerated, and that such actions will always be viewed as direct discrimination.

We may, however, take positive action, e.g. organising open days for pupils and families of a specific race that is under-represented, to address the particular challenges affecting pupils of one racial or ethnic group, where this can be shown to be a proportionate way of dealing with such issues.

## **7. Disability**

---

We will ensure that pupils with disabilities are not singled out or treated less favourably simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair.

We will ensure that we do not discriminate against pupils with disabilities because of something which is a consequence of their disability (for example, by not allowing a pupil on crutches outside at break time because it would take too long for him/her to get in and out), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

We will make any reasonable adjustments, and provide any auxiliary aids, necessary to ensure the full inclusion of all our pupils.

We will meet our duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented and reviewed where necessary.

The school will adhere to its Special Educational Needs and Disabilities (SEND) Policy containing further information addressing equal opportunities for pupils with SEND.

## **8. Religion and belief**

---

We will ensure that pupils are not singled out or treated less favourably because of their religion or belief, regularly reviewing our school practices to ensure that they are fair.

We will ensure that pupils are provided with the appropriate space in which they can practice their faith, e.g. to perform their daily prayers.

Absences in relation to religious observances will be handled in accordance with the school's Attendance and Absence Policy.

The school will liaise with local religious leaders of all faiths to inform the amount of leave pupils will be granted in relation to religious observance.

## **9. Sexual orientation**

---

We will ensure that all gay, lesbian and bi-sexual pupils, or the children of gay, lesbian or bi-sexual parents, are not singled out for different or less favourable treatment from that given to other pupils.

When appropriate, we will ensure that pupils are taught about the nature of marriage, including same-sex marriage by presenting the facts of English and Welsh law – teachers will not offer personal opinions when discussing marriage in RSHE. The school will educate pupils on positive relationships, families and gender identities within the LGBTQ+ community. RSHE lessons will be taught in accordance with the school's policy.

We will ensure that any religious beliefs with regards to sexual orientation are taught to pupils in an educational context, in a manner that is not prejudicial or discriminatory.

Staff will support LGBTQ+ pupils to feel comfortable and ensure they can celebrate their identity.

We will ensure that there is a designated safe space within our school where pupils can discuss issues of sexual orientation without fear of discrimination.

## **10. Gender reassignment**

---

Staff will ensure that pupils are not singled out or treated less favourably in relation to gender reassignment, i.e. because they are trans or have trans parents, siblings or other family members. The school recognises that gender reassignment does not necessarily involve physical change and can be solely social and emotional.

Pupils will have the right to dress in accordance with their true gender identity within the constraints of our dress code.

The school will ensure that there are suitable toilet and changing facilities for pupils to use, including:

- Gender-specific toilets and changing facilities.
- Private changing facilities.

The facilities will be made available to all pupils and pupils could use the facility they feel most comfortable in, e.g. if a trans pupil wished to use a private changing room.

The school will support trans pupils to feel comfortable and ensure they can celebrate their identity.

The school will ensure that there is a designated safe space within the school where trans pupils can discuss issues of gender without fear of discrimination.

## **11. Pregnancy and maternity**

---

We will ensure that pupils are not singled out or treated less favourably because they become pregnant, or have recently given birth, or because they are breastfeeding.

We will make reasonable adjustments to accommodate absence requests for the treatment and support of pupils who are pregnant or have just given birth.

## **12. Looked after children (LAC)**

---

LAC, and previously LAC (PLAC), will be given the highest priority for admissions, as per the requirements of our Admissions Policy.

We will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state.

A personal education plan will be created, and implemented, for all LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.

We will ensure that any SEND that a LAC or PLAC has, are duly taken into account and addressed, whether this is with or without a SEND statement or EHC plan.

## **13. The curriculum**

---

We believe that pupils should be exposed to thoughts and ideas of all kinds and will not make any unjustified changes to our curriculum content on the grounds of any protected characteristics that a pupil may have. We will ensure, however, that the curriculum is as balanced as possible, and delivered in such a way that prevents discrimination, and the promotion of prejudicial stereotypes.

The observation of inclusive teaching strategies is a key aspect of the SLT's annual programme of monitoring.

We will respect the right of parents to withdraw their child from RSHE.

## **14. Promoting inclusion**

---

We will promote inclusion and equality at our school through:

- Ensuring that pupils are called by their preferred names, which may be different to their legal names, taking into account the correct spelling, structure and pronunciation.
- Ensuring, as far as possible, that our governing board and staff reflect the full diversity of our local community.
- Providing an environment where prejudiced assumptions, attitudes and behaviours are continually challenged.
- Instilling in pupils an awareness of prejudice, giving them confidence that it can, and must, be eradicated.
- Providing a variety of educational and residential visits that expose pupils to a wide range of cultural experiences.
- Ensuring equal access to opportunities, such as extra-curricular activities and the curriculum.
- Taking care in the use of language and the choice of resources, so that teaching and non-teaching staff avoid reinforcing stereotypical views of society.
- Valuing the cultural experiences and contributions of all pupils, regardless of any protected characteristic that they may have.
- Communicating our policy to parents to gain their understanding, agreement and support for its provisions.
- Discussing equality issues as an agenda item for the school council.
- Promoting equality of opportunity within the wider society.
- Ensuring admission arrangements will not unfairly disadvantage a pupil from a particular social or racial group, or with SEND.

## **15. Supporting pupils with medical conditions**

---

We will ensure that any medical conditions related to a pupil with a protected characteristic is fully supported.

## **16. Pupils that have left school**

---

Our responsibility not to discriminate, harass or victimise does not end when a pupil has left school. It will continue to apply with regards to subsequent actions related to our previous relationship with the pupil, such as the provision of references.

## **17. The Public Sector Equality Duty**

---

We will meet our duty to publish:

- Annual information to demonstrate how the school is complying with the Public Sector Equality Duty, taking into account the specific circumstances surrounding pupils who have any of the protected characteristics.
- Equality objectives (at least every four years) outlining how we may further equality in our school.

There are some protected characteristics where statistical data is less likely to be readily available, and pupils will not be pressured into providing information related to any characteristic which they may identify with.

## **18. Bullying and discrimination**

---

Our Anti-bullying Policy will be used in conjunction with this policy in order to prevent, and effectively deal with, any discriminatory incidents.

Any incidents of a child protection or safeguarding nature will be reported, recorded and dealt with in line with the process in our Child Protection and Safeguarding Policy.

It is the responsibility of the headteacher to decide whether it is appropriate to notify social services, and/or the police, of any incident.

Concerns with regards to the handling of bullying and discrimination incidents will be dealt with via the procedures outlined in our Complaints Procedures Policy.

## **19. Staff training**

---

New staff will receive relevant training on the provisions of this policy during their HR induction.

Whole-school staff training for will be delivered in-house on an annual basis.

Staff will receive the appropriate equalities training that will:

- Focus on staff specialisms in relation to equality, for example, a focus on homophobic bullying to address a planned approach towards inclusion.

- Ensure all staff are aware of, and comply with, current equalities legislation and government recommendations.
- Ensure all staff are aware of their responsibilities and how they can support pupils with protected characteristics.
- Provide support for teachers to effectively manage any discrimination towards pupils with protected characteristics.
- Provide up-to-date information on the terms, concepts and current understandings relating to each of the protected characteristics.
- Develop appropriate strategies for communication between parents, educators and pupils about any issues related to a protected characteristic.
- Ensure that the school is aware of, and participates in, relevant awareness days, such as Black History Month, World Disability Day, Transgender Day of Remembrance, PRIDE, and International Women's Day.

## **20. Monitoring and review**

---

This policy will be reviewed by the headteacher and school business manager annually and updated where appropriate – any amendments will be duly communicated to staff members.
